Dear Community Resident / Friend

We are living in a time when we walk out of our homes, and don't know what we will encounter in the process. Times are difficult, things are happening around us and in this country that can put fear in our hearts. We can overcome this fear together. One thing we are all able to do is pray. We can pray for our parents, children, family, friends, and even the difficult circumstances we find ourselves in. As people that love our community, people who want to see continued progress and with the love that we have for everyone in our towns, we are always praying for safety. We have prayer meetings every Monday and Tuesday evening at 7pm and we invite you to join us and become a part of what God is doing with us and with our community.

This is a special time for members of the community to come together and experience what God is doing with this new church and what the plans are for the community. Perhaps you can become a part of a new endeavor that has so excited all of us. We launched the church a couple of years ago, and we are hoping to make this a fun time for everyone in attendance. Please come and visit us during our Sunday Service at 11am, our virtual weekly bible study every Wednesday at 7pm, or our virtual prayer meetings where we can pray for all of your concerns.

We have future plans for our church and the community. You don't have to make any commitment to the church or the leaders of the church. All we want is for you to come visit with us, and experience what God is doing right here in your own community, and in your own backyard. A supportive response can make a real difference as we would like to know directly from you, what you expect of a church in your community. Come and see what we plan to offer our community.

Please keep this invitation as a reminder of our weekly services. We do hope that you will be able to continue to join us, and we promise a very warm welcome and enjoyable time with the Lord. May Jesus Christ richly bless you!

Yours sincerely,  
  
Pastor Franklin E. Espinal, Sr.
